Your Business Can Inspire Tomorrows!

The 6th Annual JA Inspire is Junior Achievement of Central Florida's hands-on, interactive career exploration program for 6,000+ eighth grade students. This is an opportunity to engage students with your company as we showcase our community's rewarding careers and education pathways before planning their high school course work. **JA Inspire** helps to ensure that our young people see a local workforce that includes them, that they have a stake in the economy, and that they are vital to our future.

January 23, 2024

Tuesday, 8:30am-4pm

Osceola Heritage Park

1875 Silver Spur Lane

Kissimmee, FL 34744

Setup: Mon., Jan. 22, 1-5pm

To feature your company in
JA Inspire, contact Kelly Amy at

Inspiring Tomorrows™

EDUCATION UPDATE

- JACF participated in the Career Showcase at Embry-Riddle Aeronautical University last week where over 1,200 high school students engaged with careers in advanced manufacturing, aeronautics, and other STEM industries. Students practiced critical job interviewing skills and participated in some of our soft skills lessons.
- Our education team is continuing its work providing more than 100 speakers in classrooms across our region for the Great American Teach-In on November 17.
- JA Inspire planning is in full swing in Osceola County. High five to our partners at Valencia College who are once again providing trade and vocational booths for students to explore.
- WESH & CW 18 hosted Senior Consultations at Oak Ridge High School.

3DE™ UPDATES

BY JUNIOR ACHIEVEMENT

JA 3DE programming is in full swing in Orange and Osceola Counties!

Oak Ridge, Ocoee and Osceola High School students prepared and presented their first case challenges of the school year. These are their solutions to real world business problems, which are then judged on their creativeness and validity by volunteers from some of the biggest companies in town!

In October, students received one on one coaching from Regions Bank, KPMG, imec and Bank of America!

WATCH NOW

VOLUNTEERS NEEDED

VOLUNTEERS NEEDED IN 146 CLASSROOMS!

JACF is looking for volunteers to go into classrooms as Career Speakers. We are primarily looking for guest speakers for Teach-In in Orange and Osceola counties on November 16, but we have speaking opportunities throughout the school year, too!

It's easy!

1. Sign up [here](#).
2. Complete volunteer registration with school district.
3. Get assigned a classroom.
4. Go speak about your job, your career pathway, and your education background!

We would especially love speakers from trade industries, STEM careers, diverse backgrounds, with college degrees, and without college degrees! Students need to know ALL the career opportunities available to them!
